OFFICE NOTE.

Subject.
Setting aside the sale by public auction of the Inam lands in his holding and belonging to the Sri Rishyasringeswara swami temple at Kiffa, Koppa Taluk.

LAST REFERENCE:—

Petn ~~Letter~~ No. 1543 dated 21st January 1904 from Subbarayya of Kiffa.

The petitioner states that he addressed a petition on 23.11.02 stating that some of the Inam lands belonging to the Sri Rishyasringeswara Swami temple at Kiffa and in the petitioner's holding had been sold by auction on account of Kandayam stated to amount to Rs 2522-9-5 and that he was furnished with an endorsement stating that his petition had been forwarded to the Deputy Commissioner for report after he addressed a petition on 30.5.03 enclosing the Deputy Commissioner's endorsement dated 13.5.03.

It is stated that the Deputy Commissioner having assessed the lands only at wet rates

for the past 8 years instead of at Bayajet and having credited only Rs 200 and odd since paid by him and having shewn Rs 463-1-5 as due by him, ordered him to pay the said amount to the Koppa Taluk Treasury before the 31st May 1903 and to produce an extract from the accounts duly authenticated by the Munsiff to show that he had paid the amount to the late Parapatheyar Visweswariah and in fault the lands would be taken away from him. It is also stated that the above order had been sent to this office and that he was expecting a reply thereto, that the temple parapatheyar who had promised to depose regarding payment of Rs 463-1-5 by him had not done so and that the Govt order had not been received. The petitioner states that the amount due for 1902-03 had been paid to the temple parapatheyar and the fact had been reported by the Amildar by means of his Ithilla.

The Deputy Commissioner is stated to have given oral orders stating that Rs 463-1-5 would be refunded if Viswaswariah's original accounts are produced. The present petition is stated to have been addressed

as orders are reported to have been received confirming the sale by public auction and ordering the transfer of the lands to the highest bidder on the ground that Rs 463-1-5 had not been paid by Viswesiwara Aiyar which accrued that Kandayam for 1902-03 had not been received paid.

The petitioner states that Sri Rishyasringeswara Swami is his family deity, that his grandfather transferred the lands in his khata to that of the temple without receiving any money therefor, and that his lands are sold by public auction although he had paid Kandayam.

The petitioner prays that the records relating to the alleged revenue dues and to the sale of the lands by public auction, should be sent for by Govt as he is too poor to do it himself and justice meted out to him after their perusal and further that the transfer of the lands to the person who has bought them in the public auction should be kept in abeyance pending the final decision by Govt.

ABSTRACT

With reference to Govt. endt. on his petn. dt 29-11-02 & 13-12-03 directing the petr. to produce the D/Comrs order, he produces the order which runs as follows:—

"You were heard in person in the matter of your petn. praying for cancellation of the sale for arrears of revenue, of the right of cultivation of the Inam land

attached to Sri Rushya Srinigeswara Swami Temple at Kugga. The arrears on the wet lands in your khata amounts to Rs. 463-1-5 till the end of the year 1901-02. If you pay up the amount to the Amildar of Koppa before the 31st inst., it will be considered whether the lands should be confirmed in your name, or, the sale will be confirmed.

"The copy of the list showing that you had paid the assessment for the last two years to the late Parupathegar Viswesvara Iya, is not authenticated, and you are hereby directed to produce an authenticated copy of the list from the Munsiff's Court."

The petitioner states that the accounts were not regularly kept in the Temple, and the Parupethegar Viswesvaraiya was looking after the affairs of the temple

as his own facing appearing; that the Parupathegar did not credit the amount paid by the petr. to the assessment due by him, and bought the lands to sale in which they were knocked down to the name of a ~~rel~~ relative of the Parupathegar; that the petr. and the Parupathegar are not in good terms; that there is no arrear on the lands ~~of~~ in the Khata of the petr.

Prays that the case may be well enquired into, that the arrears Rs. 460/- and odd, may be collected from the said Parupathegar Visweswaranja and that the land may be restored to the petr.

at Kejja. He has nothing to live upon. As he has no property either the Kandayans nor the arrears can in any way be recovered. I cannot see my way to help him. Even now he may produce the sum fetched by the sale with the cess, before the proper time expires i.e within the 23rd inst. and should give security for clearing the arrears within ten years, and besides he must produce respectable persons holding responsible* for the regular payment of revenue in future and, in default, to pay up the sum on the responsibility of their own property. Then the matter would be recommended to the Raja, or rather

can be done."

(X) [The Amildar's sign, below, does not say by whom it was ordered on the petn.]

The petr. states, that the cause of accumulation of revenue in arrears was the the failure of Areca nut crops in 95 96 and the consequent heavy loss the petr's father sustained. That on the death of his father the petr. refused to hold himself responsible to clear the arrears and he did not wish to have the lands; but the then Amildar promised remission, forced the petr to take up the lands; that no remission was given nor any concession was shown; but that the petr. paid since 1898, was credited to the arrears and the

current revenue was brought under arrears, for which the lands were sold, depriving the petr. of the Inam lands which were enjoyed by his family for more than 280 years.

He further states that he cannot produce any security since no body comes forward to stand responsible for the payment of revenue, as the lands are worth nothing or very little.

He prays therefore that the lands may be allowed to be in his khata and some concession be shown regarding the payment.

Order thereon:- No. 962-3. Dt 31.10.03.
Mun. F. 1-94.

From the Deputy Commissioners' Memo it is observed that the total amount of assessment to due by the petitioner Subbaroya on his Khata lands belonging to the temple up to the end of 1901-02 since 1894-95 is Rs 24-92-9-5 as particularized in the margin. As regards Bagayet lands, the Dy: Commissioner is of opinion that, as they have deteriorated considerably and are not productive or remunerative, the produce being barely one-seventh of the Kaudayam payable on them, and as it is hopeless to expect the petitioner to pay up

24-92-9-5
463-1-5

on Bagayet lands for 8 years @ Rs 253-11-0 a year } 2029-8-0

the arrears due thereon, viz, Rs 2029-8-0, these arrears may be written off the accounts as irrecoverable. He further states that all his property ~~have~~ but been sold in satisfaction of civil court decrees, and that these Bagayat lands had once been put up to sale, but fetched no bidders. In these circumstances the Deputy Court's recommendation to write off the accounts ~~to~~ the sum of Rs 2029-8-0 due on the Bagayat lands is accordingly approved. The lands may be declared available to other applicants.

2. As regards the sum of Rs 463-1-5 shown as arrears due by the petitioner on the wet lands, it is

reported that he has produced an acknowledgement from Patel Bellanna for having received Rs 200/- from him towards the arrears; and that a further sum of Rs 200/- was paid by him to the temple Parpattegar Vis-
-weswariah. In support of the latter contention the petitioner has produced an unauthenticated copy of a Patti duly signed by the Parpattegar Visweswariah which also takes into account the sum of Rs 200 paid to Bellanna the petitioner. The Deputy Commissioner reports that he has directed the petitioner Subbaronja to produce an authenticated copy of the Patti and that

on its receipt he will take the explanation of Visweswaraiah as to why he did not credit the amounts to the temple Accounts. He however states that, pending the enquiry, he has ordered the petitioner to produce the sum of Rs 463-1-5 due by him, intimating to him at the same time that the sale of the wet lands held on the 23rd November 1902, would be confirmed, if he failed to pay up the arrears before the end of May 1903. As the time allowed by the Deputy Commissioner has already expired, he is requested to report whether the arrears including the amount payable for 1902-03 have been since recovered from the petitioner and credited to the temple funds.

or whether the petitioner Subbaroya has since produced an authenticated copy of the Patti alluded to ~~in the first paragraph~~ above.
